Melanie,

Would you please:

- forward us a copy of the FOIA request(s);
- send us copies of the Corps' communication that you proposed to release, or specific identifiers so we can locate them, i.e. date, time, sender, recipient.

Electronic copies are fine.

Thanks,

Charles M. Simon

Hello,

I'm sending you all this e-mail to notify you that EPA intends to release e-mail that you sent or were recipients of.

The agency received multiple FOIA requests on 595 and Woodland road, and we are hoping to complete their responses soon. Please respond to this e-mail whether you have any objection to the release of interagency communications regarding these subjects.

Let me know if you have any questions,

Thank you,
